Certificate Number PLAS001

Plasticade™ Type I and Type II Barricades

Plasticade Products certifies that the Plasticade Type I and Type II Barricade meets or exceeds Part 6 of the Manual on Uniform Traffic Control Devices (MUTCD) 2009 Edition, Section 6F.68.

We also certify that the Plasticade Type I and Type II Barricade meets or exceeds the National Cooperative Highway Research Program (NCHRP) Report 350, Category II, issued by the Federal Highway Administration (FHWA) and is deemed compliant as referred to in HAS-10/WZ-14.

The Plasticade Type I and Type II Barricade has been in use for many years and deemed to be “crash worthy” under the guidelines stated above. The Plasticade Type I and Type II Barricade has demonstrated safe operational performance and poses virtually no risk that this barricade will (1) enter the driver’s compartment, (2) take away the driveability of the vehicle, (3) have a significant effect on the control or trajectory of an impacting vehicle if properly assembled and installed.

This certificate shall not be reproduced except in full.
